Delivery/Shipping

Jotz Sails will ship to any UPS address in the 50 states. Delivery takes two to eight weeks depending on the season.

Measuring Your Mast Deflection

With sail slot up, measure the distance from top of slot to floor. Next, hang 50 lbs midway between bands and re-measure the distance from top of sail slot to floor. The difference between these two measurements is your mast deflection.

Your Mast and Sail Information

- Your mast deflection in inches with 50 lbs: _____
- Your approximate body weight in pounds: _____
